

LAKE FOREST, CALIF.--- CMC Expands Domestic Manufacturing Facility
Posted: 1/19/2006 @ 9:19 AM

Carr Manufacturing Company (CMC) a manufacturer and provider of custom wire harness and cable assemblies, today announced its dedication to manufacturing domestically built products by doubling its Lake Forest, California production facility, allowing companies to more easily control their subcontracted products while maintaining quality, delivery, and costs.

About CMC.

CMC is a California based corporation specializing in the design and manufacturing of standard and custom assemblies to the electronic, industrial, medical, and military industries. Its unique approach to contract manufacturing allows OEM's to offload their electro-mechanical assembly problems to CMC's experienced staff, thereby allowing the OEM to focus on its core product. Headquartered in Lake Forest, Calif., CMC has over 15 years of combined experience in designing, manufacturing, and supplying various electro-mechanical assembly solutions to the OEM market.
