

FOOTHILL RANCH, CALIF.--- CMC passes Stage I audit.

Posted: 9/18/2011 @ 08:00 AM

Carr Manufacturing Company (CMC) has announced today that they have successfully passed their ISO 9001:2008 Stage I certification audit. Mark Flynn, Sales Representative of CMC state, "This is a huge step forward in our ability to offer the service and support our customers have been demanding".

By passing the Stage I audit, CMC has cleared the way for the Stage II, or final, certification audit scheduled for October 28th, 2011.

About CMC.

CMC is a California based corporation specializing in the design and manufacturing of standard and custom assemblies to the electronic, industrial, medical, and military industries. Its unique approach to contract manufacturing allows OEM's to offload their electro-mechanical assembly and to focus on their core product. Headquartered in Foothill Ranch, Calif., CMC has over 20 years of combined experience in designing, manufacturing, and supplying various electro-mechanical assembly solutions to the OEM market. For more information, call 949-716-1840 or visit the CMC website at www.carmfg.com.
