

FOOTHILL RANCH, CALIF.--- CMC is recommended for certification by DNV.

Posted: 10/28/2011 @ 08:00 AM

Carr Manufacturing Company (CMC) has announced today that DNV has recommended CMC for ISO 9001:2008 certification to the ANSI-ASQ National Accreditation Board. With this recommendation, CMC expects to have the certificate available for view by November 23rd 2011.

About CMC.

CMC is a California based corporation specializing in the design and manufacturing of standard and custom assemblies to the electronic, industrial, medical, and military industries. Its unique approach to contract manufacturing allows OEM's to offload their electro-mechanical assembly and to focus on their core product. Headquartered in Foothill Ranch, Calif., CMC has over 20 years of combined experience in designing, manufacturing, and supplying various electro-mechanical assembly solutions to the OEM market. For more information, call 949-716-1840 or visit the CMC website at www.carmfg.com.
